

XTRACT Caps XL

(X60 – 7035)

Description

XTRACT Caps XL is a blend of natural essential oils, namely Capsicum from chilli pepper and hydrogenated vegetable oil. It acts as a natural alternative to help alleviate heat stress for both monogastric and ruminant animals.

Features

- Manufactured in accordance with ISO Fusion Technology ensuring:
 - ⇒ Homogeneous distribution and flow-ability
 - ⇒ Stability, uniformity and analytically traceable
 - ⇒ Thermally protected by a retention agent
- Proven mode of action with the use of sophisticated *in vitro* modeling systems and animal trials.
- Compliant with EU regulations, free of GMO and animal products and carries FAMI-QS certificate of analysis.
- Registration numbers in accordance with Act 36 of 1947:
 - ⇒ **XTRACT Caps XL (X60-7035) - V 23802**

Benefits

Improves animal performance and condition:

- ⇒ Fractionates feed intake to reduce the risk of significant changes in rumen pH
- ⇒ Can increase feed intake
- ⇒ Decreases acetic:propionic ratio in rumen → increase energy extraction from the diet
- ⇒ Reduces protein deamination → increases supply of short chain peptides and amino acids
- ⇒ Bioactive agent for improved vasodilation of blood vessels and energy utilization
- ⇒ Reduces effect of heat stress in animals
- ⇒ Increases performance and feed intake during heat stress
- ⇒ Improves natural cooling system

Application

The recommended feed inclusion:

250 - 300 mg / animal / day for dairy and beef
45 – 50 mg / animal / day for sheep
20 – 50 g / t for poultry and pigs
